Handbag Box

Description.

This template will provide you with instructions and templates, to make your very own bonboniere box in the shape of a Handbag.

It's easy to
do-it-yourself with
Cristina Re

Your Handbag Box should look like this when finished.

WHAT YOU WILL NEED

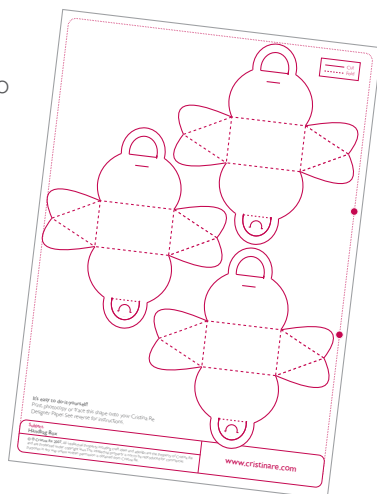

- Cristina Re A4 Designer Paper in the colour or design of your choice
- Suitable printer* / photocopier
- Double-sided tape
- Scissors

*See product, packaging or www.cristinare.com for further details

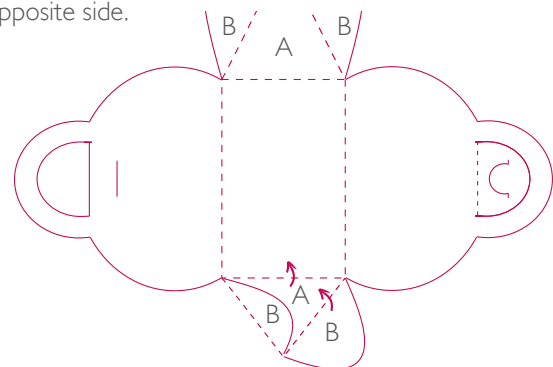

STEP ONE

Insert your favourite Cristina Re Paper into the printer and print the template on the reverse side of the Designer Paper.

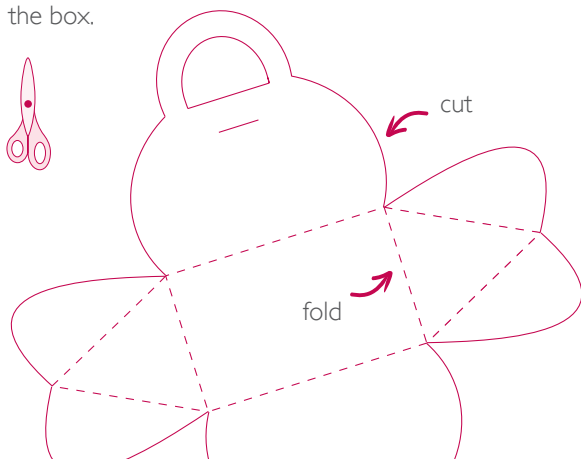

STEP THREE

Fold flaps marked A up, to make the side of the box and flaps marked B need to fold in. Repeat on the opposite side.

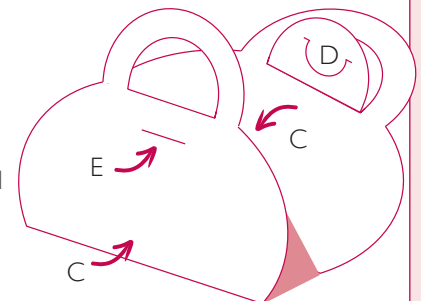

STEP TWO

Use scissors or a stanley knife to cut out the template, cutting solid lines only. Lines that are dotted indicate where you need to fold the box. Score and fold all dotted lines prior to constructing the box.

STEP FOUR

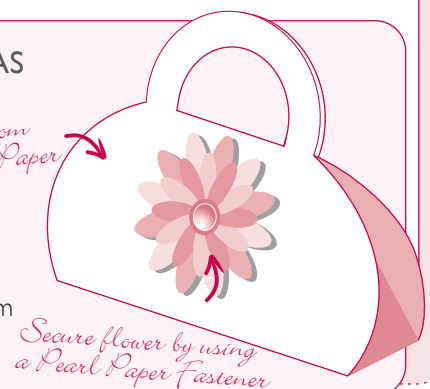

Finally fold panels marked C in and to close the Handbag Box, secure by inserting the rounded tab marked D, into the slit marked E.
