Description.

This template will provide you with instructions and templates, to make your very own bonboniere box in the shape of a Heart Box.

It's easy to
do-it-yourself with
Cristina Re

Your Heart Box should look like this when finished.

WHAT YOU WILL NEED

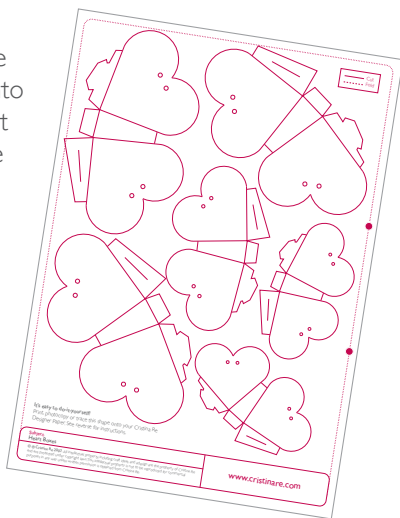

- Cristina Re A4 Designer Paper in the colour or design of your choice
- Suitable printer* / photocopier
- Double-sided tape
- Scissors

*See product, packaging or www.cristinare.com for further details

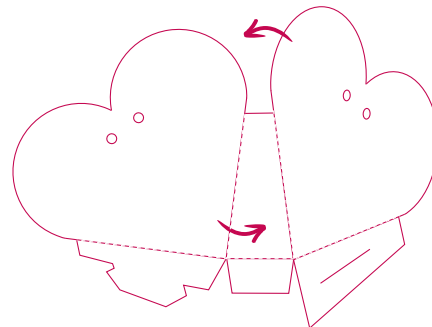

STEP ONE

Insert your favourite Cristina Re Paper into the printer and print the template on the reverse side of the Designer Paper.

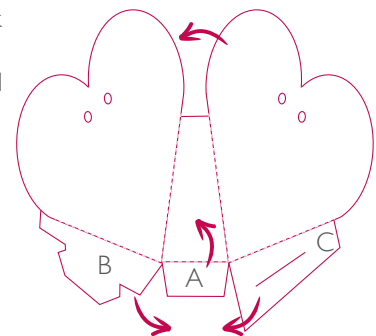

STEP THREE

Fold heart shape panels together.

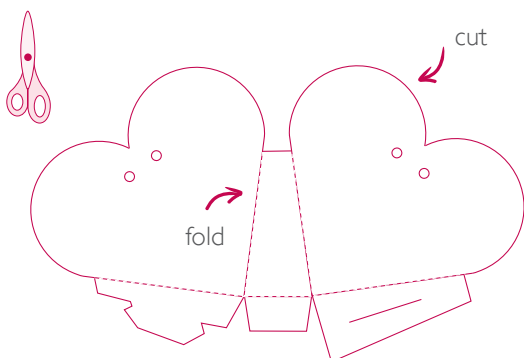

STEP FOUR

To secure heart, tuck flap A up into the side of the heart and put side tab marked B into slit marked C.

STEP TWO

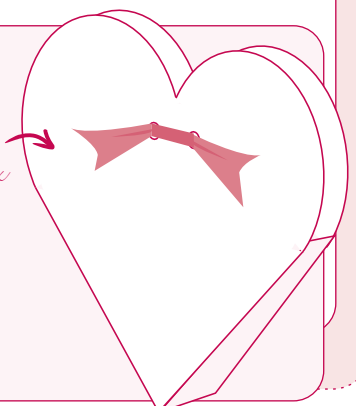

Use scissors or a stanley knife to cut out the template, cutting solid lines only. Lines that are dotted indicate where you need to fold the box. Score and fold all dotted lines prior to constructing the box.

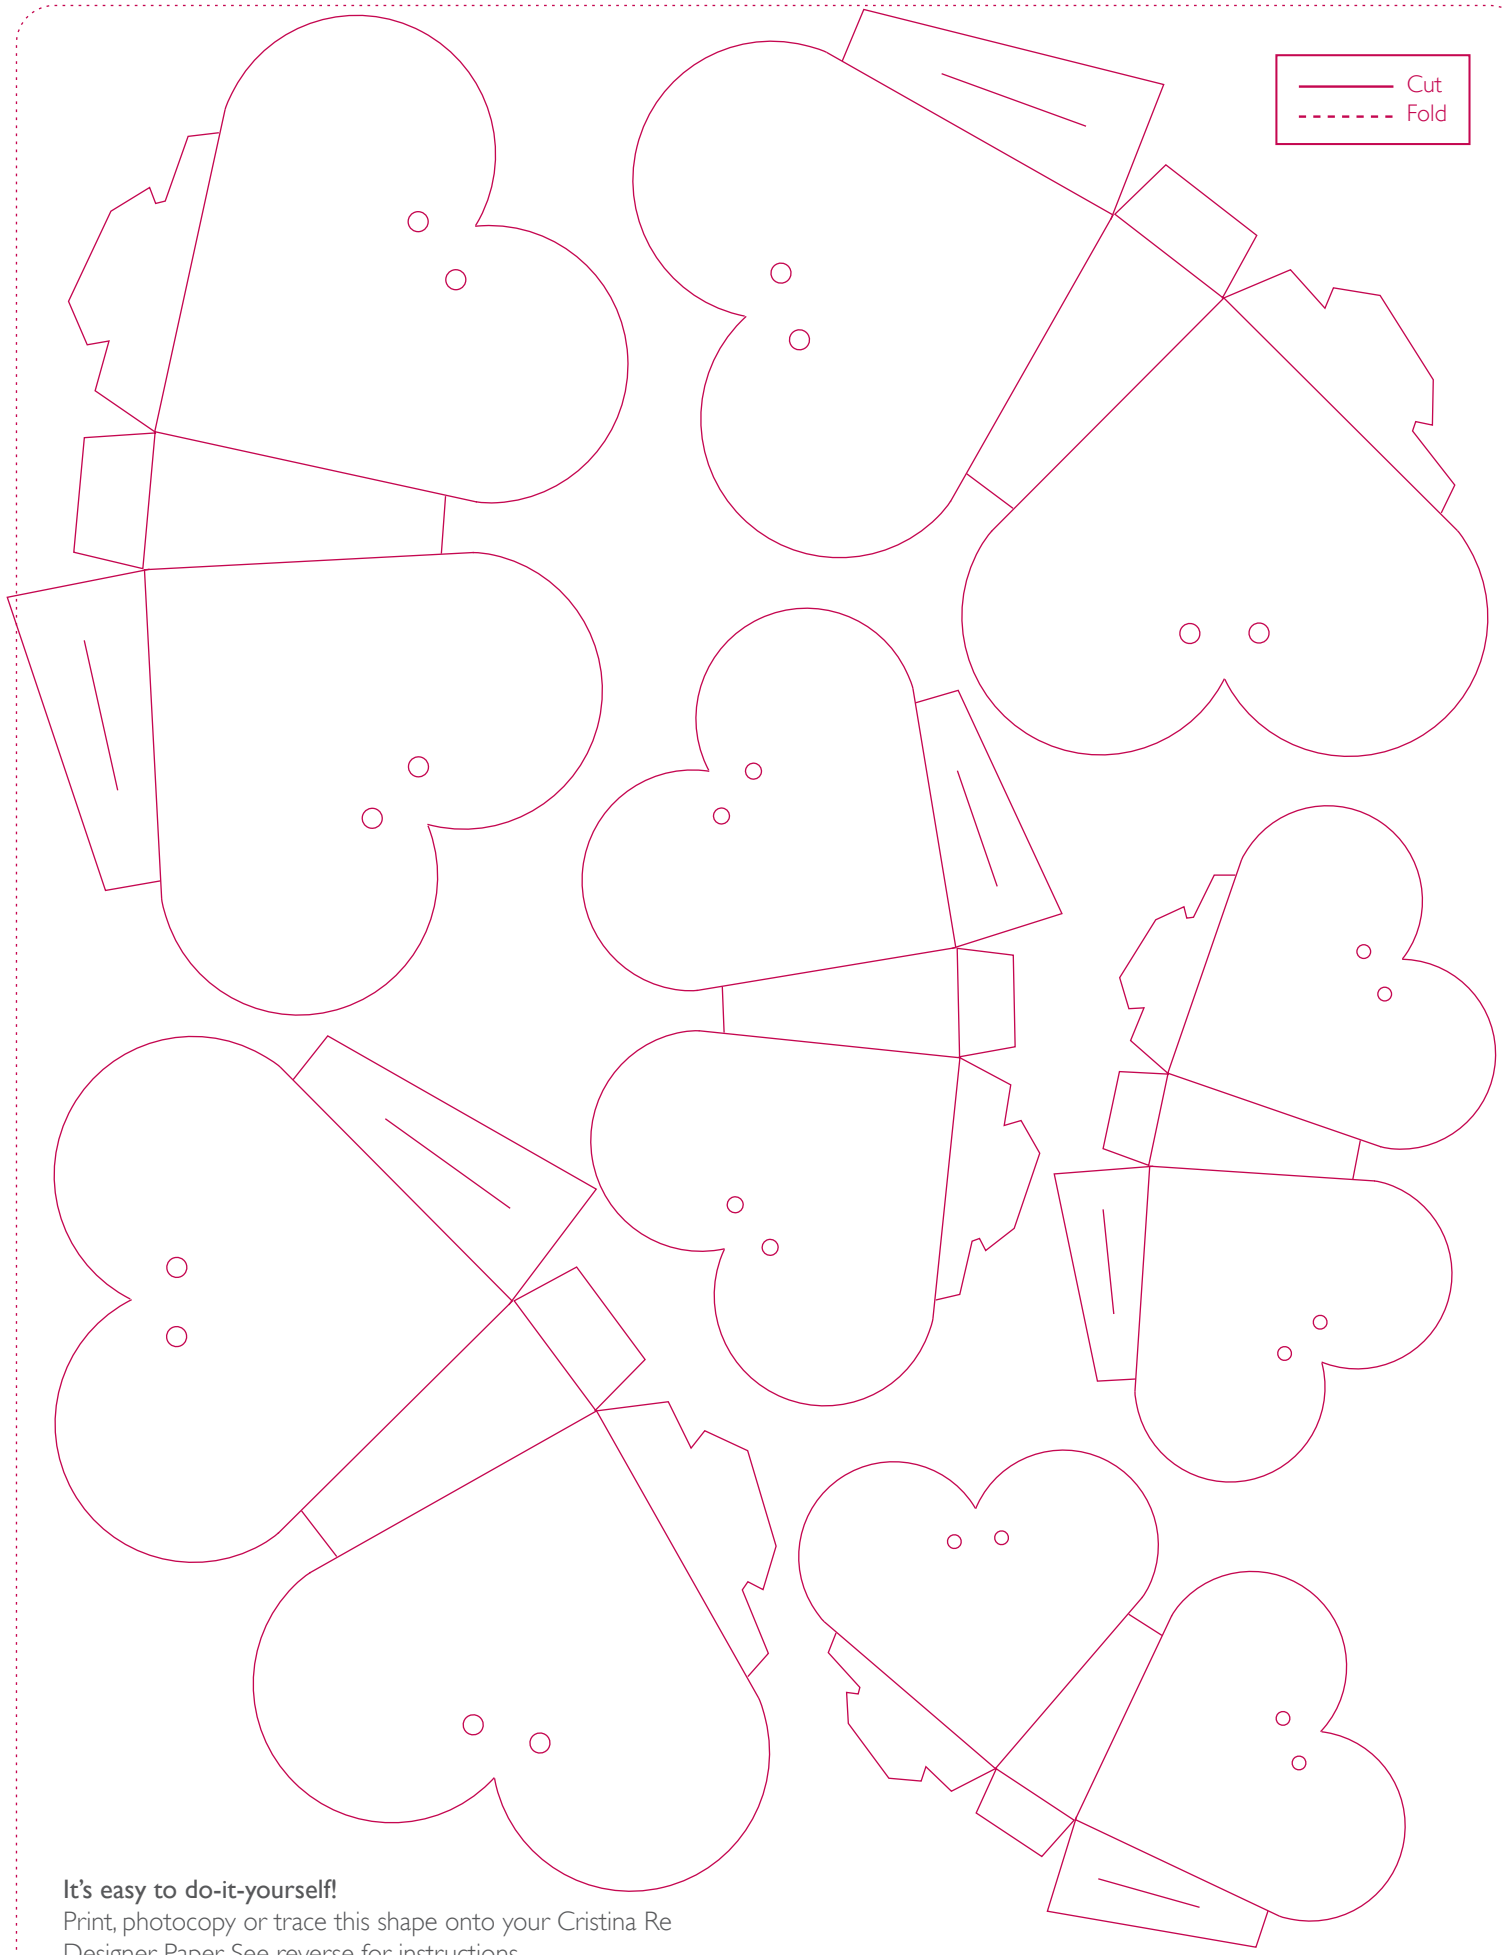

OTHER IDEAS

Use Satin Ribbon to secure Heart Box

Embellish or decorate your Heart Box.
