

Star Box

Cristina Re inspire me

Project No.
PROJECT 06

Type.
Bonboniere Box

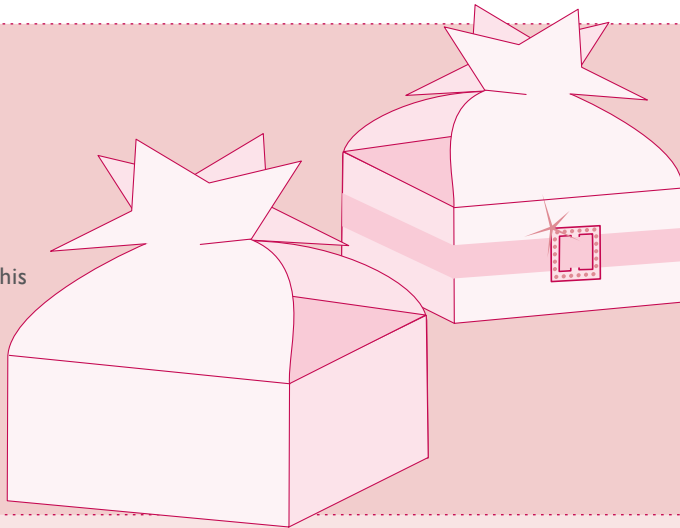

Subject.
Star Box

Description.

This template will provide you with instructions and templates, to make your very own bonboniere box in the shape of a star.

It's easy to
do-it-yourself with
Cristina Re

Your Star Box should look like this when finished.

WHAT YOU WILL NEED

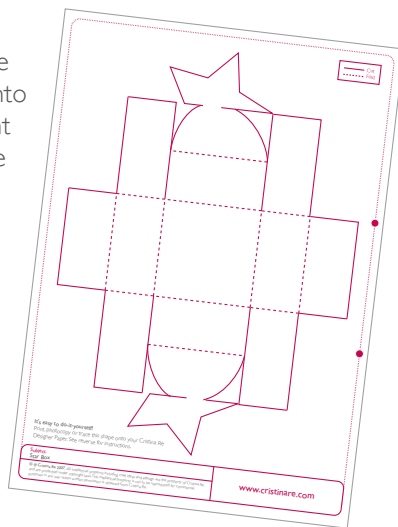

- Cristina Re A4 Designer Paper in the colour or design of your choice
- Suitable printer* / photocopier
- Double-sided tape
- Scissors

*See product, packaging or www.cristinare.com for further details

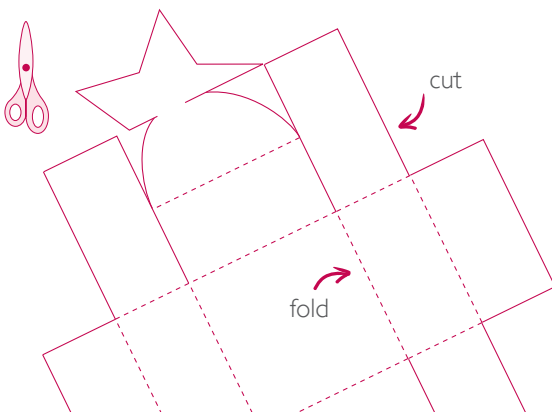

STEP ONE

Insert your favourite Cristina Re paper into the printer and print the template on the reverse side of the Designer Paper.

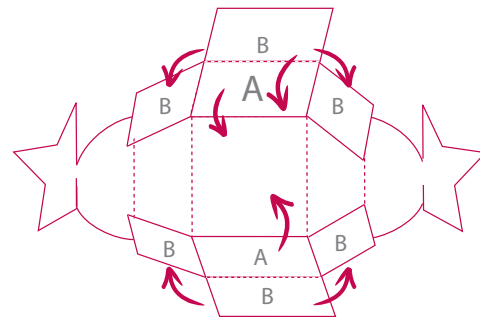

STEP TWO

Use scissors or a stanley knife to cut out the template, cutting solid lines only. Lines that are dotted indicate where you need to fold the box. Score and fold all dotted lines prior to constructing the box.

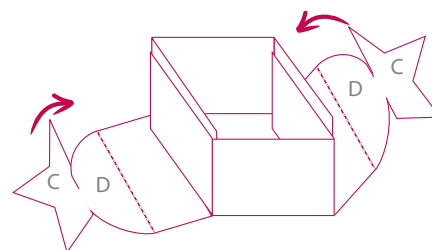

STEP THREE

Select flaps A and fold inward and then fold flaps B forward. To provide the box with support, using double-sided tape, secure the flaps.

STEP FOUR

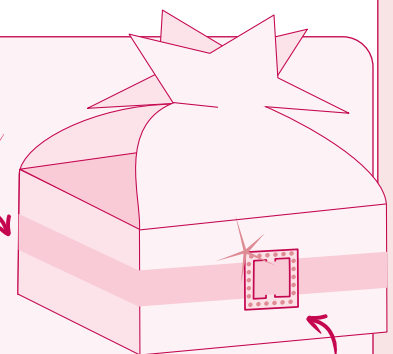

Fold flaps C in and secure box by interlocking the butterfly with the slits indicated at D.

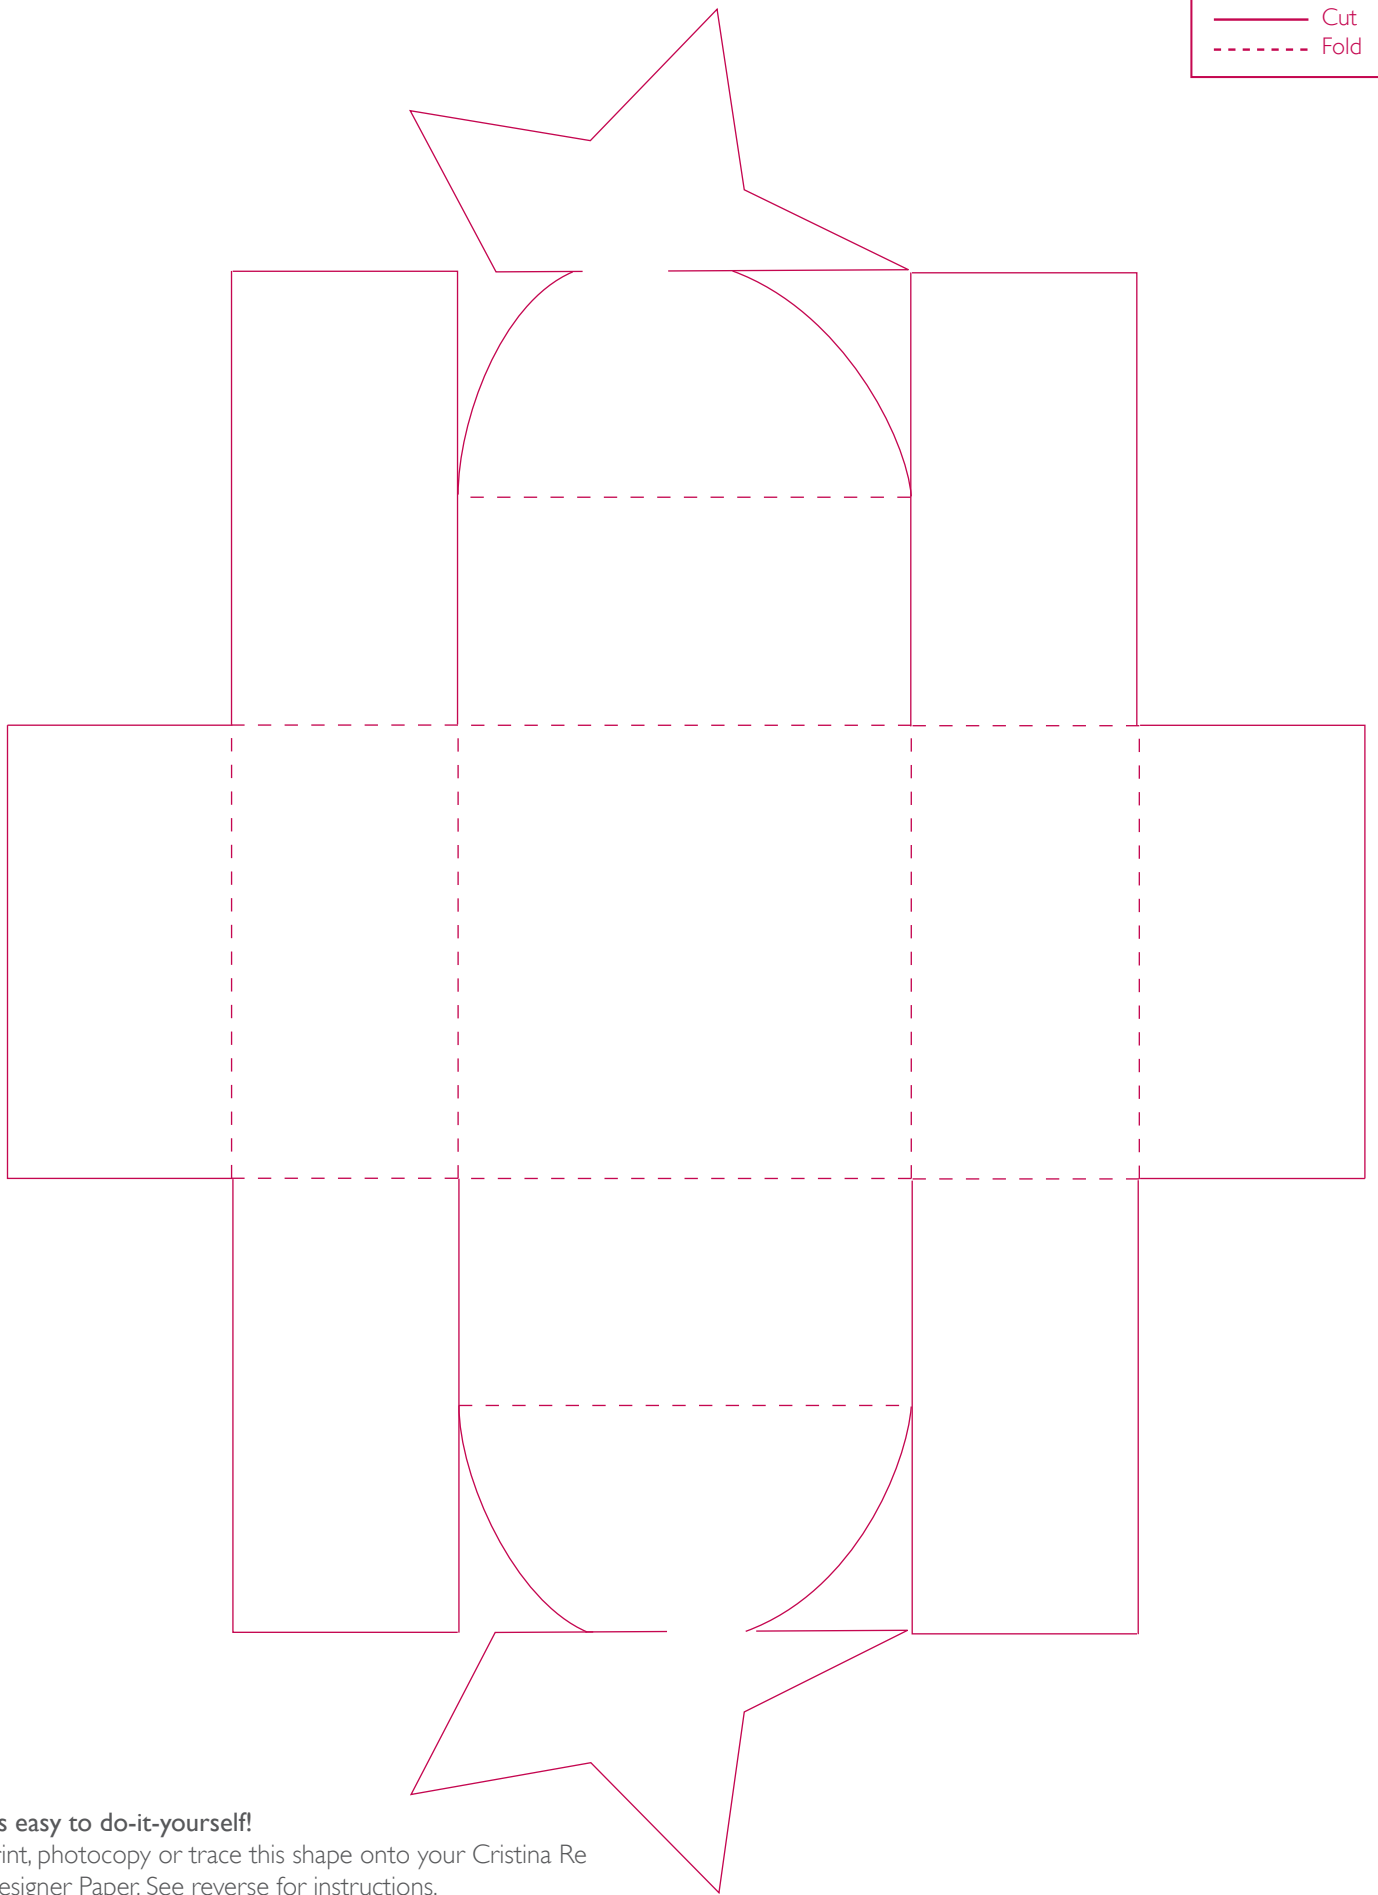

OTHER IDEAS

Use Satin Ribbon

Embellish or decorate your Star Box. See www.cristinare.com for suggestions.

...and finish with a Buckle

It's easy to do-it-yourself!

Print, photocopy or trace this shape onto your Cristina Re Designer Paper. See reverse for instructions.
