Description.
This template will provide you with instructions and templates, to make your very own Christmas Tree Ornaments.

It's easy to
do-it-yourself with
Cristina Re

Your Tree Ornaments should look like this when finished.

WHAT YOU WILL NEED

- 3 sheets of Cristina Re A4 Designer Paper in coordinating colours and patterns
- Suitable printer* / photocopier
- Cristina Re Satin Ribbon in a coordinating colour
- Double-sided tape or glue

*See product, packaging or www.cristinare.com for further details

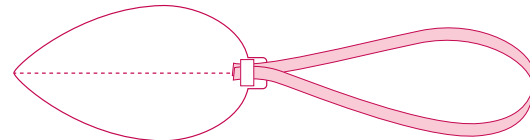

STEP ONE

Select your favourite ornament shape from the templates on the reverse side and cut six of that shape from Cristina Re Designer Paper. Fold shapes down the centre along the dotted line.

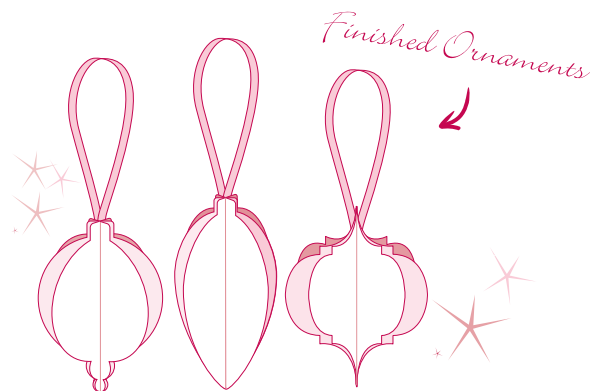

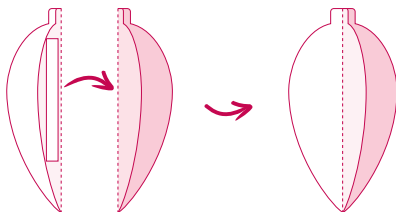

STEP THREE

Cut a 25cm length of Cristina Re Satin Ribbon. Attach in a loop to your final ornament shape. Join final shape to the others as in Step 2, to create your ornament.

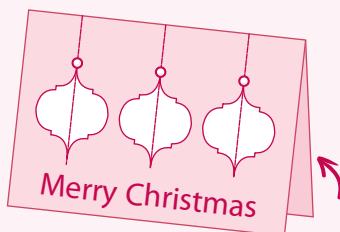

STEP TWO

Using double-sided tape or glue, join half of one ornament shape to half of another. Repeat to join five of the shapes together, alternating the paper designs.

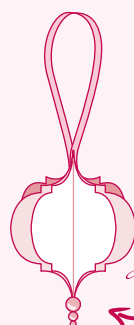

OTHER IDEAS

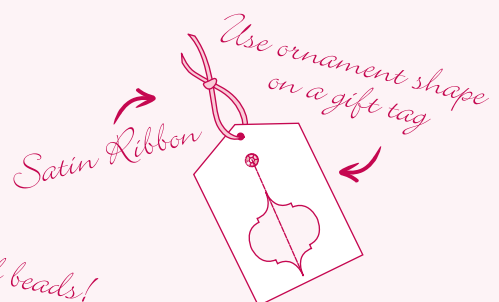

Use ornament shapes on a card!

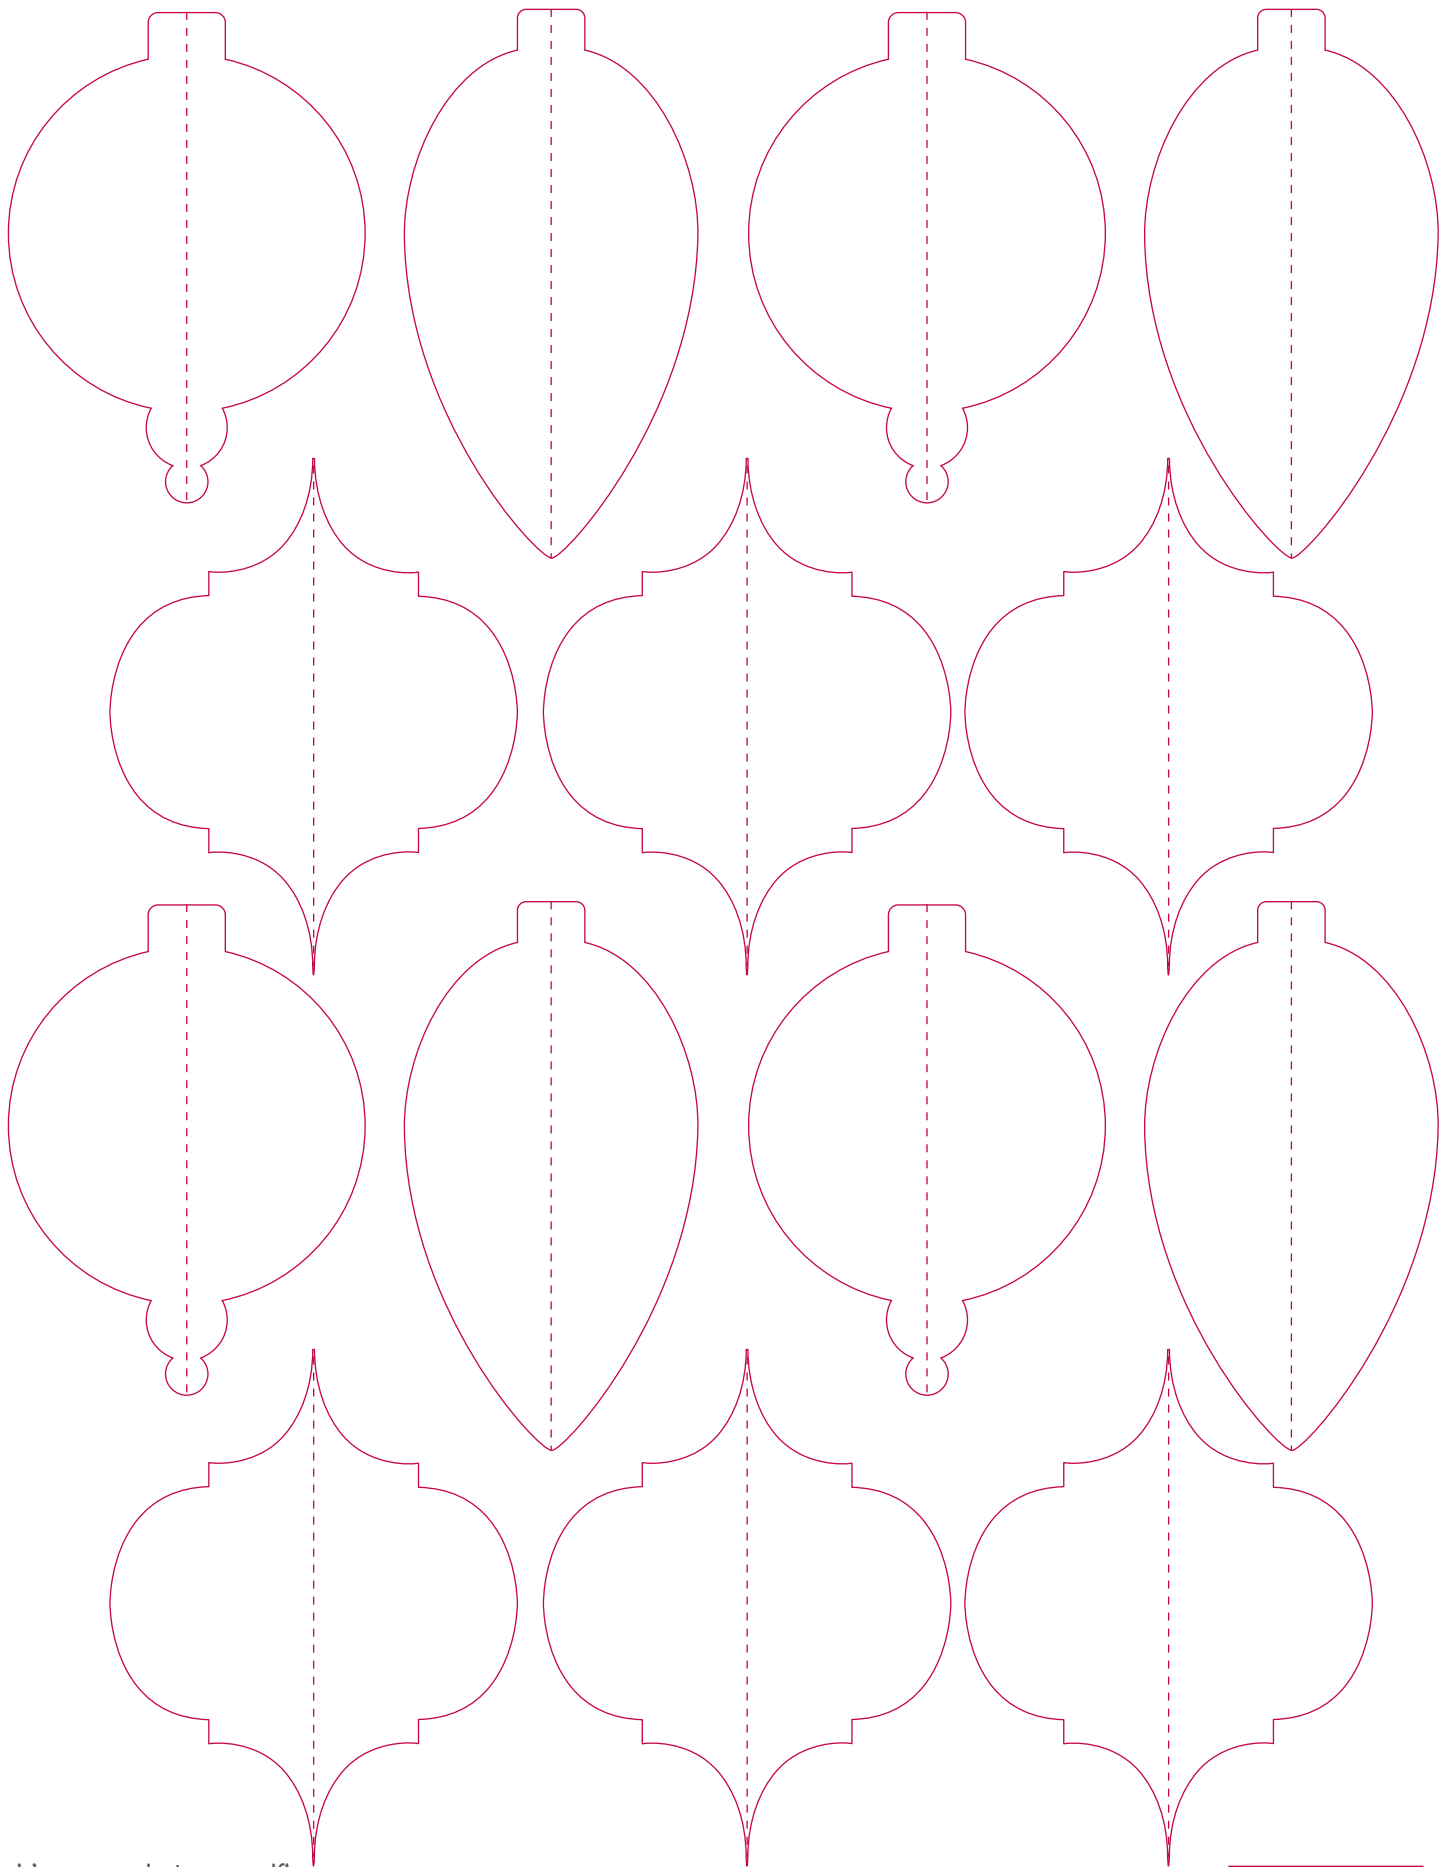

Jewel Paper Fasteners & machine stitching

Add beads!

It's easy to do-it-yourself!

Print, photocopy or trace these shapes onto the back of your Cristina Re Designer Paper.
Enlarge ornament shapes on a photocopier for larger ornaments. See reverse for instructions.
